

# Flam Party 2

### Intermediate flam exercise

ORourke

A five-line musical staff with various rhythmic patterns and corresponding hand movements. The staff consists of five horizontal lines and four vertical bar lines, creating six measures. Each measure contains a different combination of eighth and sixteenth notes, some with stems pointing up and others down. Above each measure, there are specific hand movements indicated by letters: 'r' (right hand), 'l' (left hand), 'R' (right hand), 'L' (left hand), 'I' (index finger), and '3' (third finger). The first measure starts with two eighth notes 'r' and 'l'. The second measure has two eighth notes 'R' and 'R'. The third measure has two eighth notes 'L' and 'L'. The fourth measure starts with an eighth note 'r', followed by two sixteenth notes 'I', then two eighth notes 'R', and finally two sixteenth notes 'R'. The fifth measure starts with an eighth note 'I', followed by two sixteenth notes 'R', then two eighth notes 'L', and finally two sixteenth notes 'L'. The sixth measure starts with an eighth note 'r', followed by two sixteenth notes 'R', then two eighth notes 'L', and finally two sixteenth notes 'R'. The notes are primarily black, except for one white note in the first measure and one white note in the fifth measure.
